

## MB-1 - Book movie ticket

**Project:** Movie Booker

**Release Date:** 1 April 2013

**Estimate (hours):** 800

**Priority:** Major

**Author:** John Smith

**Components:** Front-end

As a member of the public I want to book a movie online so that I can go and see it at my local cinema.

I expect to choose my seat, enter my payment details, and then print out a ticket that I can take with me to the cinema to be admitted without waiting in queues.
